Girl Ran Away
Consignment Consideration Application

Thank you for your interest in consigning your products at Girl Ran Away With The Spoon. We value our consignment program as an important addition to our store.

Your application will be reviewed and considered in a timely manner and you will receive notification of our decision one way or another. We know you are anxious for a decision and we will contact you as soon as we have an answer.

About Our Consignment Program

We are looking for handmade American crafts of high quality craftsmanship and unique design that match well with our current product lines. We have a large desire for recycled, repurposed or otherwise sustainable and earth friendly products whenever possible. Our commission for the sale of your product is 30%. The other 70% will be calculated and checks distributed at the end of each month, no exceptions.

If you are approved for consignment, it is on a trial basis with no sales guarantee. We will decide how much inventory to stock and can choose to remove items at any time.
